Services

The scheme benefits from a scheme manager service to ensure the safety and wellbeing of residents and to provide a link with doctors, families, friends and the support services. As an Extra Care scheme Stanner Lodge benefits from a team of care staff who are based on site throughout the day and provide a floating service at night. In most cases this alleviates the need to immediately go into hospital or residential care when your condition becomes such that you cannot manage independently.

The scheme is also monitored by the Control Centre and should an emergency arise they can be contacted by pulling the red intercom cord or pressing a pendant. This service is available 24 hours a day, 365 days of the year.

There are a wide range of optional social activities at the scheme ranging from coffee mornings and bingo to seasonal social activities, parties and coach trips.
