Five Oaks is a purpose built Care Hotel with 44 ensuite bedrooms, situated 5 minutes from junction 24 off the M25 on the prestigious Cockfosters Road at Hadley Wood, and was opened by Scimitar in February 1995.

At the front entrance porch it is possible to look through the reception area and see Barnet Church on the rear skyline behind Hadley Wood Golf Course. The building was designed to take advantage of the quite stunning views which are appreciated from all rear rooms and terraces and with a truly magnificent interior, there is an air of a top star Hotel throughout. The Hall Lounge leads to the main lounge and on to a separate television lounge and there is open plan into the spacious and beautifully decorated Dining Room and there is a licensed bar within the vicinity. On the lower ground floor there is the Garden Room which leads out to the spacious patio terrace and the large south west facing garden. There is ease of access throughout the building which is served by two modern passenger lifts and the Manager's office is situated on the ground floor immediately by the entrance hall.

All bedrooms are light and airy with superior decoration and furniture, have ensuite facilities and most include a shower. A private telephone, television and an emergency call system is available in all bedrooms. Staffing is on a 24 hour, 365 day a year basis, available for assistance with personal care, dressing and any Residents' requirement at any time. Care staff are not intrusive and will assist as much or as little as a Resident may need. Residents' rooms are cleaned and serviced on a daily basis and there is a full in-house laundry and a mobile shop. An in-house mini-surgery is held on a weekly basis provided by the local GP but Residents are free to retain their own Doctor if preferred. The local shops, at Cockfosters Parade, are a 10 minute walk away for those that are ambulant, and buses to Cockfosters and Potters Bar pass the door and are frequent. Meals, which are freshly prepared and served each day by the cook and catering staff, are nutritious and wholesome. Any dietary variation or personal request is attended to. There are no 'visiting hours' as Residents' guests and families are welcomed at any time.
