Charming & Historic

‘THE OLD DEANERY, FORMING THE FOCAL POINT OF THE CARE VILLAGE, IS A 16TH CENTURY MANOR HOUSE, GRADE II RESTORED AND ARTFULLY REFURBISHED.’

The Old Deanery Care Village, including St Mary's Court is found in the charming village of Bocking, which provides the ideal setting for retirement living. The village stands on the left bank of the Blackwater river, adjacent to Braintree Town in an area of natural beauty with a relaxed pace of life. Braintree offers an excellent range of local facilities, where period architecture rubs shoulders with modern shops from high street names to independent outlets and speciality emporiums.

The Old Deanery, forming the focal point of the care village, is a 16th century manor house, grade II restored and artfully refurbished. Its array of original features has been lovingly brought to life highlighting their historic beauty. The building has recently been extended and refurbished and now provides peaceful rest areas and a contemporary bistro overlooking the beautiful grounds. St Mary's Court has been designed and constructed to fit into the beautiful surroundings.

A TRADE IN BAIZES, CALLED 'BOCKINGS', WAS AT ONE TIME PROMINENT IN THE AREA LEADING TO THE VILLAGE'S UNUSUAL NAME. ALTHOUGH THE TRADE HAS LONG SINCE CEASED, THE MANUFACTURE OF SILK AND CRAPE IS STILL CARRIED ON TO THIS DAY.

Our specialist nursing unit caters for people with complex nursing needs. In addition our person-centred approach to care influences everything we do. We focus on the individual with dementia rather than just managing the symptoms of dementia. Every member of staff is trained in person-centred care and is supported by a team who put the concept into practice every single day.
