A brand new Extra Care Scheme

Beechwood Court is a brand new Extra Care Housing Scheme set in the heart of the picturesque village of Earsdon. This fantastic new development is made up of 12 self-contained flats which have been designed to provide homely comforts and independence, while being monitored by skilled professionals for any health, well-being or security concerns giving both residents and loved ones peace of mind.

What is an Extra Care Housing Scheme? – Extra Care is a newer form of specialist housing for older people and is growing in popularity. It is referred to by different names, but is all designed to meet the needs of frailer older people and has higher levels of care and support on-site. These properties can be rented (like Beechwood Court) or in some cases owned.

Tasks that we can help you with include personal care, preparing and cooking meals, shopping, cleaning, laundry and organising repairs to your home.

Safety and security? Each flat is equipped with a pull-cord so that you can quickly and easily get help when you need it.

Why choose us? We understand that sometimes you like to be alone and at other times you may want to be more sociable. Our properties give you that freedom. At Beechwood Court we run social activities including bingo, luncheons, church services, coffee mornings, entertainment and occasional day trips. You will not need to worry about maintenance and repairs or gardening upkeep as we take care of those.
