Flexicare housing

Introduction

Aldwyck understands that as you get older your needs and priorities change and coming to terms with these changes can be difficult. We will take time to get to know you and understand your exact needs. You deserve to be treated with dignity and respect so we have developed a range of services that can be tailored to your personal needs.

Our flexicare housing in Bushey, Hertfordshire provides a flexible level of care and support that can be adapted to suit your changing needs. Ideal if you can no longer manage to live independently in your own home or if you and your partner have different care needs but want to stay together.

Located in a quiet residential area of Bushey the flats at Storey Court, Collins Court and Barley Close all come with adapted bathrooms, communal lounges and a 24 hour tele-care life-line service.

Our service

All three of our flexicare schemes provide you with security, independence and the flexibility to change your care level to suit your needs as they change over time. If you require more specialist services our team will support you or your family in seeking the right level of specialist care.

We provide:

- a 24 hour tele-care life-line service for your personal care and support needs
- assistance in confidence building following falls or hospital admissions
- an active social life within the scheme.

Another benefit of our service is that our staff get to know you and are able to catch problems early reducing the risk of hospital admissions.

Your individual support plan

We are committed to providing you with a choice of services that will enable you to live as independently as possible. We will involve you in developing all areas of your support plan.

We ensure:

- you are individually assessed
- you have a personal support plan that incorporates your choice preferences
- we support improvements to your wellbeing and quality of life
- you are treated with dignity and respect
- we respect your privacy.

Practical and emotional support

Knowing you have someone to talk to who will listen and understand your concerns and most importantly provide practical and emotional support is a key part of the service we provide. This may include:

- liaising with external agencies to support access to a full range of services to keep you independent
- tele-care life-line equipment to provide 24 hour emergency support
- help with personal care needs such as bathing, shaving and toileting
- additional help at certain times of the day such as getting up in the morning, at meal times or when getting ready for bed
- help with dressing
- general money-advice including budgeting and welfare benefits
- dealing with emergency situations
- emergency shopping and prescription collection service
- comprehensive medication service
- advice on health and wellbeing
- help with accessing other services such as chiropody and district nurses
- on site support team available 7 days a week between 7.30am and 9pm with night-time staffing added as the need arises
- assistance with form filling and telephone calls
- care team based on site.

How much will it cost?

Our charging structure is very competitive. Our fees will depend on the type of care and support provided and are detailed below:

Service provided	Costs start from
Weekly rent	£88
Weekly service charge	£10.50
Care charge low, medium and high	Set by Herts County Council based on their assessment of your care needs

Our flexicare rents are set at the same level as our social rented properties; keeping your rental costs as low as possible.

Help with all these charges may be available depending on your capital and income.

How can I access this service?

This is available to you if:

- you live in Hertfordshire or have a local connection
