About St Andrew's Court

The complex comprises 27 apartments and six cottages. There are eleven two-person apartments and six cottages suitable for couples, and ten one-bedroom apartments and six bed-sitter flats for single occupation.

Flexible Support on Your Doorstep

At St Andrew's Court a dedicated Scheme Manager is available to residents between the usual hours of 9am and 5pm (Monday to Friday), providing flexible support tailored to your individual needs.

The Manager is responsible for organising all the cleaning and maintenance of the building so you don't have to worry.

All residents receive a regular daily call to discuss possible issues or offer friendly advice and support. Social activities and events are also organised for your enjoyment.

Our aim is to enable you to continue to live independently in your own home and maintain a good quality of life.

Safety & Peace of Mind

Entrance to the building is through a communal front door, which is kept locked. Each flat has its own door-entry system with an intercom and buzzer, which enables you to open the main door to your visitors remotely.

In the case of an emergency each flat is fitted with a speech alarm system, with a pull-cord in every room to access an alarm control centre that responds immediately to calls for help, and co-ordinates emergency services as required.

Spiritual Well-Being

At MHA, we support each older person to live life in the way that they wish, providing opportunities for fulfilment.

We believe that spiritual well-being is achieved by nurturing the human spirit: through relationships and positive experiences – be they with God, family and friends, animals, nature, music, art or other creative activities.

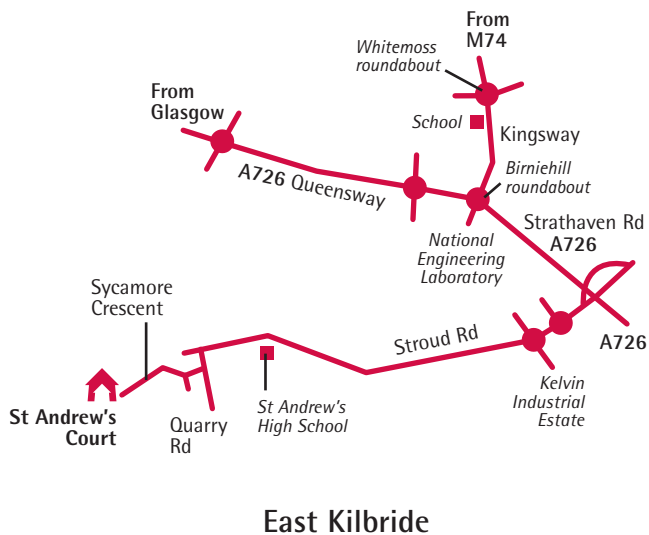

In addition to our caring staff and many volunteers, we have our own Chaplain who is available for pastoral support. Our Chaplain also organises worship services for those who wish to attend and can arrange for contact with other religious ministers if you prefer.

Quality Standards

We offer a welcoming environment with caring support to all our residents. MHA has been awarded accreditation by the Centre for Sheltered Housing Studies, which means that we meet all their high-quality requirements.

We are registered with the Tenant Services Authority and fully comply with their requirements and those of the Care Quality Commission. MHA Managers regularly monitor all our housing schemes to ensure service delivery is the very best. Staff are chosen carefully to meet the standards required, regularly updating skills and knowledge to meet residents' needs.
