**Scheme Manager:** Chris Barfield

Southern  
Housing  
Group   
[www.shgroup.org.uk](http://www.shgroup.org.uk)

Our sheltered housing scheme at Courtney King House is located in the heart of Brighton's Kemp Town district, a short walk from local shops and very frequent buses to the city centre. The large one-bedroom flats have been recently modernised, and enjoy gas central heating and double glazing, and most have sea views.

The scheme has a resident manager and 24-hour alarm call system. There's a laundry, guest room and large car park. There are two communal lounges, and a wide variety of activities are run, including regular lunches, bingo, outings, games and exercise classes. Residents are encouraged to take a major part in the running of the scheme, and there is a Residents' Association.

The Scheme Manager will be pleased to show visitors round—see front page for contact details.
