Wendover Court is a retirement housing scheme with 22 studio flats for single people and 1 double one bedroom flat for two people.

Our facilities

Welcoming and supportive

Wendover Court is situated close to the town centre and many useful amenities. The flats all consist of a lounge, kitchen and bathroom. All flats are fitted with an electric cooker and a fridge.

Residents are encouraged to use the communal garden. There are benches and patio furniture for everyone to use to relax and socialise with friends and family.

There are communal lounges which can be used by all residents and on site activities take place here. The lounges can also be booked for private functions.

A communal laundry is on site for use by all residents.

The scheme has a guest room available which can be booked via the scheme manager.

Notice boards are in the main entrance. They have useful information about the scheme, activities and what's happening in and around the local area.

Our services

Care and commitment

All our services are in place to allow residents to live as independently as they can.

There is a non-residential scheme manager to encourage independent living and assist with any problems or queries. The scheme manager is on duty 9 am to 5 pm, Monday to Friday.

Also, a call centre provides emergency 24 hour cover all year round. Pull cords are installed in each flat and communal areas to call if assistance is needed.

Activities

Things to do, places to go

Staff encourage residents to organise their own events and activities as part of our drive to encourage independent living.

There are coffee mornings, bingo, occasional lunches, seasonal holiday events held at the scheme and guests are always welcome to come along and take part.
