We understand that moving home is an important decision, and at MHA we care about your new home as much as you do. Working with older people for over 65 years, we have used our experience to develop a special service at Willcox Close offering:

- the privacy and pleasure of your own home within a friendly community,
- 24-hour support.

Enjoying later life to the full is all about having comfort, security and independence – the freedom to live your life, free from hassle and worry, with support available when you need it – and that's exactly what Willcox Close offers.

## About Willcox Close

Willcox Close was built in 1972 as a result of a legacy from local GP, Dr Willcox. The scheme was initially run by a local firm of solicitors with a group of trustees. It was understood however, that if ever the Scheme could no longer be looked after by its original management then it was to be given to MHA. That handover took place in December 2004.

Willcox Close is a purpose-built development of modern bungalows, apartments and bed-sits in Glastonbury. There are eight one-bedroom flats and seven bungalows all suitable for couples, plus four bed-sitter flats available for single occupation. The scheme is tastefully and comfortably decorated throughout with a communal lounge, kitchen, laundry facilities, gardens and car park.

## The Location

Willcox Close is situated within easy walking distance of all the local shops, amenities and public transport.

Local attractions include Glastonbury Abbey set in 37 acres of parkland in the centre of the town. Wearyall Hill, Glastonbury Tor, the Chalice Well Gardens and the Lake Village Museum are also all nearby.

## Flexible Support on Your Doorstep

At Willcox Close a dedicated Scheme Manager is available to residents between the usual hours of 9am and 3pm (Monday to Friday), providing flexible support tailored to your individual needs.

The Manager is responsible for organising all the cleaning and maintenance of the building so you don't have to worry.

All residents receive a regular daily call to discuss possible issues or offer friendly advice and support. Social activities and events are also organised for your enjoyment.

Our aim is to enable you to continue to live independently in your own home and maintain a good quality of life.

## Safety & Peace of Mind

You will have no worries about security. In the case of an emergency outside the Scheme Manager's working hours help is always at hand with our emergency call system. Pull-cords are located in the lounge and bathroom, and if required each tenant has a pendant to access an alarm control centre, which allows you to call for emergency assistance at any time.

## Spiritual Well-Being

At MHA, we support each older person to live life in the way that they wish, providing opportunities for fulfilment.

We believe that spiritual well-being is achieved by nurturing the human spirit: through relationships and positive experiences – be they with God, family and friends, animals, nature, music, art or other creative activities.

In addition to our caring staff and many volunteers, we have our own Chaplain who is available for pastoral support. Our Chaplain also organises worship services for those who wish to attend and can arrange for contact with other religious ministers if you prefer.

## Quality Standards

We offer a welcoming environment with caring support to all our residents. MHA has been awarded accreditation by the Centre for Sheltered Housing Studies, which means that we meet all their high-quality requirements.

We are registered with the Tenant Services Authority and fully comply with their requirements and those of the Care Quality Commission. MHA Managers regularly monitor all our housing schemes to ensure service delivery is the very best. Staff are chosen carefully to meet the standards required, regularly updating skills and knowledge to meet residents' needs.
