# ABOUT CORNERSTONES

---

Cornerstones is an extra care scheme based in Reading. Built in 1995, it offers a selection of 42 self-contained bedsits, one- and two-bedroom flats, designed to help residents retain as much independence and control of their lives as possible.

All flats have a built-in oven and hob, lounge and wet room. All white goods and flooring need to be provided by the resident. The scheme has communal laundry facilities.

Residents can continue to enjoy their social pursuits in a safe and secure environment, giving peace of mind to themselves and their families. Care and support staff are available on site during the week. Residents also have 24-hour access to a community alarm service.

Cornerstones is close to Reading town centre and the M4 motorway. A shopping centre is located 500 yards from the scheme.
