What does the Rent and Service Charge include?

The total rent and service charge for each flat includes the cost of maintaining the common areas of the scheme such as gardening, window cleaning etc., together with a small proportion of the Sheltered Housing Officer's

costs. Besides the rent, you pay your own flat's water charge plus electricity and phone bills to whichever utility company you choose.

What does the Support service and charge include?

A Sheltered Housing Officer is on duty 9am - 1pm Monday - Friday (excluding public holiday and annual leave). When the Sheltered Housing Officer is not on duty the 'warden call' system within each flat links to a central control centre. The central control centre provides telephone advice and assistance in an emergency. The cost of the control centre and most of the Sheltered Housing Officer's costs are met by a support charge which you pay in addition to your rent and service charge.
