Who we are

CT Care Ltd is an independent care provider based in Market Harborough. We have been offering home care services since 2011 in and around Market Harborough. Our aim is to offer straightforward, affordable and outstanding care to you in the comfort of your home.

All our staff are screened, and undergo a thorough recruitment and training process. This involves interviews, references, and DBS checking. They all have to complete their mandatory training which involves both theory and practical modules. Only when they have completed this and been assessed that they will be an asset to our team do we permit them to work alongside an experienced carer.

What we offer

We offer hourly care, from 30 mins calls to live-in care packages. Our minimum care contract is 5 hours per week. We offer a free, no obligation 1hr home assessment with one of our senior members of staff. This can be requested by phone or e-mail, and we will contact you to arrange a suitable time.

What we can do

- Personal Care washing/dressing.
- Continence support
- Medication support.
- Helping you with food/drink preparation.
- Take you shopping or do shopping for you.
- Escorting you to GP/hospital/other appointments.
- Domestic cleaning/bed changing/vacuuming/floor mopping etc.
- Help with laundry/ironing
- Support with household admin, making phone calls, writing letters, etc.
- Escorting to appointments.
