

Assistive Technology and Lifeline

Our range of specialist devices are designed to enhance your safety and security whilst at home and when you are out and about. The equipment is tailored to your individual needs to help you maintain your independence.

Assistive Technology and Lifeline can benefit anyone who due to their health or circumstances, needs a little bit more support to carry out everyday tasks or who may be more likely to have an accident and need help. Popular products include:

Falls detector

Bogus caller button

Remote control socket

Flood prevention plug

Care and Repair offer information, advice and practical support to enable you to remain living safely and independently in your own home for as long as you choose. This includes assisting you to improve, repair or adapt your home or providing you with information and support to enable you to move to more suitable accommodation. The service is available to individuals aged 55 or over, or of any age with a disability

We offer:

Home Adaptations

Our home adaptations service covers any adaptation to your home including bathroom adaptations such as level access showers, kitchen adaptations, equipment such as a stairlift or ceiling track hoists through to extensions. Our service includes:

- A free initial consultation visit
- Survey and Design Options
- Tendering to contractors off our approved list
- On Site Management

Well-being and Support Service

You may be considering whether you wish to remain living in your current home or to move to alternative accommodation. Our advice and support service offers a visit from an experienced Case Worker who will talk through with you the available options so you have the information you need to make an informed choice when you feel ready.

During the visit our Case Worker will complete a full Well-being Assessment with you which will include:

- Advice and information on housing and care options
- A home safety check
- An assessment to check eligibility for grant or charitable funding
- Assistance with completion of application forms
- Information and referrals to other agencies and organisations
- Benefit Checks
