The Pavilions

Alma Road, Millfield, Peterborough

A fresh new
approach
to independent
extra care living

Refreshingly high standards

The new Extra Care apartments offer a real alternative to traditional residential care. The apartments have been designed to improve the choice and quality of life for older people, whilst being sympathetic to their individual needs

40 independent self contained apartments

5 Extra Care for sale

through New Build HomeBuy
(shared ownership)

35 Extra Care for rent

Who we care for?

- People who require high levels of care (with a presence both day and night) who would prefer their own front door.
- People whose needs are unpredictable and therefore more difficult to meet pre-determined timed units of care e.g. those with Parkinson's Disease.
- People with degenerative conditions where a move to Extra Care would prolong independent living e.g. those with Multiple Sclerosis or Rheumatoid Arthritis.
- People who are highly vulnerable and at risk e.g. those with high levels of anxiety or who neglect themselves.

Do you know someone who needs extra care and who values their independence?

If the answer is YES
The Pavilions could be exactly right for them
