Welcome to Richmond Villages

We have over 25 years' experience of making people happy in their new homes. From opening our first Richmond Village in 1996, we have continued to provide the most prestigious communities for people to retire to.

So, if you're ready for downsizing (we call it rightsizing), Richmond Villages Northampton is a very special place where new beginnings start and quality memories are made.

Move with confidence

As well as the 25 years of experience we have in owning and operating our award-winning villages, we offer you the assurance of being part of Bupa.

Bupa is a global healthcare provider without shareholders. This means we can reinvest all our business profits back into the services we offer, therefore improving the health and wellbeing of our residents.

We are also privileged to be founding members of the Associated Retirement Community Operators (ARCO) and we are proud to lead our retirement communities following the principles laid out in the ARCO consumer code.

Our care services are registered and inspected by the Care Quality Commission (CQC), the independent regulator of health and social care in England.

Retire to Northampton

Situated on the edge of Northampton and close to junction 15 of the M1, Richmond Villages Northampton is ideally situated for both the north and south of the country.

Dubbed the county of 'Squires and Spires' due to its wide variety of historic buildings and country houses, Northamptonshire is at the crossroads of central England. From castles built by William the Conqueror to beautiful Georgian squares and magnificent churches, you'll find a wealth of historical interest here.

The pretty Northamptonshire countryside is a pleasant surprise, too, for those who aren't familiar with it. Long distance footpaths criss cross with inland waterways and winding country lanes, in what is sometimes described as a little known rural oasis. Whether on a brisk winter walk, or a gentle stroll in warmer weather, there's no better place to distance yourself from the stresses of the modern world.

Immerse yourself in the lifestyle & community

Rethink your retirement with Richmond Villages. Spend your days exactly as you please, in a beautiful environment with fabulous facilities on your doorstep and a vibrant community surrounding you.

LANDSCAPED GARDENS

The Village is surrounded by stunning landscaped gardens, which are looked after by our team of gardeners. Designed to be restful and pleasing to the eye, the grounds can be enjoyed by taking a gentle stroll along the pathways.

VILLAGE GREEN

During the summer months there is always something happening on the village green. Maypole dancing, croquet and putting are just a few of the activities you can take part in... or simply watch and enjoy.

“Richmond Villages continues to offer outstanding service, wonderful activities, fabulous food, and above all genuine care for my mother”

LIBRARY

As well as offering residents a restful reading area, the library provides a quiet and relaxing place to enjoy a game of chess or cards.

RELAXING LOUNGES

Within the main village centre complex there are a number of lovely lounges for residents to enjoy. The lounges are the normal meeting point for coffee mornings, bridge or scrabble clubs or just another area to catch up with friends.
