

# Llys Enfys

A high quality housing scheme for older people with optional, individual packages of care & support.

Location: Llanishen, Cardiff

Opening: March 2010 - applications currently being taken

Work is currently underway on Llys Enfys, Llanishen. This is a high quality scheme for older people developed in partnership with Cardiff Council. The scheme comprises of a total of 102 self contained flats with a mix of 1 and predominantly 2 bedroom accommodation available. The scheme offers a fresh approach to housing primarily for older people who wish to live safely and independently within the community.

An appointed organisation will be available on site and will provide personal care to those who have been assessed and meet the Council's eligibility criteria. Within the scheme there are a number of flats which will meet the needs of varying levels of support which includes 60 flats for **extra**Care provision, 7 of which are specifically designed and adapted for older people with memory loss or dementia. There will also be 8 flats for disabled young adults with an additional 34 flats being available for older people to rent.

Facilities at Llys Enfys will include a shop, library, laundry room, hair and beauty salon as well as the main communal lounge and restaurant.

For further information about this scheme or the services we offer to older people please contact:
