Residential Home of Distinction

Choosing a care home for yourself or your loved ones can be a challenging time but the quality of care offered by staff at Manton Hall will make your decision easier.

“The home is decorated and furnished to a high standard that creates a comfortable, light, spacious but homely environment.”

In safe hands

The staff work hard to ensure that residents experience a safe and homely life style which matches their expectations and preferences. We continually explore new ideas to deliver to the residents the best environment and care experience and the sensory garden project is just one example of this. With 24 hour care you know you will always be in safe hands.

Every convenience

Residents enjoy all the benefits of having their own bedroom with telephone and call bell facilities. All of the rooms are decorated to a high standard and have en-suite facilities with many offering private shower rooms and under floor heating for maximum convenience and comfort.

A stimulating experience

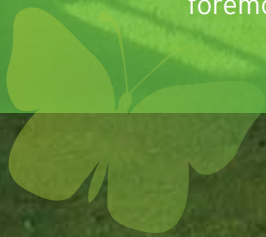

Anything we can do to make our residents day as stimulating as possible is of great importance to us. Gardening and flower arranging, visits to the local garden centre, exercise sessions to music, games, shopping, baking, church visits, sing-alongs, professional entertainers and craft activities are just a few examples of the social and recreational activities enjoyed by our residents.

“A relaxing but stimulating environment for the residents to enjoy with beautiful aromatic flowers, herbs and waterfall features.”

A Tranquil Home from Home in Rutland

The home is set in an acre of delightful gardens, surrounded by picturesque Rutland Water. Our reputation for providing outstanding care to our residents is well known throughout the local community which makes us one of the foremost residential care homes in Rutland.

Perfectly placed

Manton Hall is set in the scenic landscape of Rutland Water and is located just a short drive away from Oakham.
