

Kingston House is owned and operated by Greensleeves Homes Trust, which is a “not for profit” charitable organisation providing care and accommodation for elderly people. Our aim is to offer you high quality care, in a safe and friendly environment, which respects your rights, dignity and privacy, and gives you the maximum opportunity to exercise personal autonomy and choice.

All our homes are registered with the appropriate statutory authority and comply with the relevant legislation. They are also visited every month by a member of Greensleeves’ senior management team, to monitor their compliance with our own quality standards.

Kingston House

Actively Caring

Kingston House is a purpose built home situated in its own grounds in the pleasant and peaceful village of Derry Hill, which is mid-way between Calne and Chippenham, Wiltshire. Derry Hill is approximately 6 miles from the M4 and there is a mainline railway station at Chippenham.

The home was built by the British Red Cross as a convalescent home and was acquired by WRVS in 1978 when it became a residential care home for older people. Since 1997, the home has been owned and managed by Greensleaves Homes Trust.
