Charming & Historic

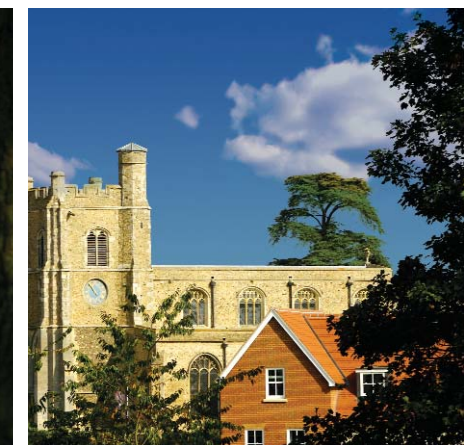

THE OLD DEANERY CARE VILLAGE

‘THE OLD DEANERY, FORMING THE FOCAL POINT OF THE CARE VILLAGE, IS A 16TH CENTURY MANOR HOUSE, GRADE II RESTORED AND ARTFULLY REFURBISHED.’

The Old Deanery Care Village is found in the charming village of Bocking, which provides the ideal setting for retirement living. The village stands on the left bank of the Blackwater river, adjacent to Braintree Town in an area of natural beauty with a relaxed pace of life. Braintree offers an excellent range of local facilities, where period architecture rubs shoulders with modern shops from high street names to independent outlets and speciality emporiums.

The Old Deanery, forming the focal point of the care village, is a 16th century manor house, grade II restored and artfully refurbished. Its array of original features has been lovingly brought to life highlighting their historic beauty. The building has recently been extended and refurbished and now provides over 90 extremely spacious, individual, beautifully appointed residences. Facilities now include an Orangery, an array of private lounges, peaceful rest areas and a contemporary bistro overlooking the beautiful grounds.

A TRADE IN BAIZES, CALLED ‘BOCKINGS’, WAS AT ONE TIME PROMINENT IN THE AREA LEADING TO THE VILLAGE’S UNUSUAL NAME. ALTHOUGH THE TRADE HAS LONG SINCE CEASED, THE MANUFACTURE OF SILK AND CRAPE IS STILL CARRIED ON TO THIS DAY.

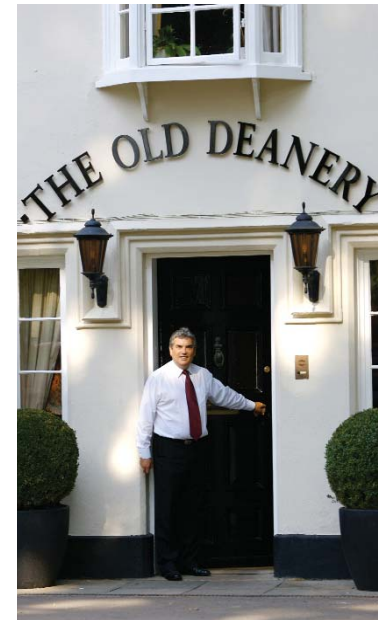

‘FOR THOSE WITH ‘GREEN FINGERS’ THE GROUNDS OFFER AN ARRAY OF GARDENING FACILITIES, INCLUDING A GREENHOUSE AND AN ALLOTMENT WHERE YOU CAN INDULGE YOUR PASSION TO YOUR HEART’S CONTENT.’

THE OLD DEANERY CARE VILLAGE

Through the private gated entrance, a sweeping shingle driveway takes you around a 14th century listed dovecote to a welcome that’s always warm and friendly. Set in 10 acres of unspoilt countryside, The Old Deanery Care Village is surrounded by fresh air; established woodland, rolling lawns with unspoilt views and outstanding wildlife, flora and fauna. The grounds enjoy spectacular views of the River Blackwater and the historic Deanery Church of St Mary the Virgin. A walkway around the perimeter allows you to enjoy the outdoors and be at one with nature. For those with ‘green fingers’ the grounds offer an array of gardening facilities, including a greenhouse and an allotment, where you can indulge your passion to your heart’s content.

We realise the value and importance of retaining contact with the community. Participation in social activities and entertainment provides valuable stimulation, motivation, and adds to the quality of life for us all. Consequently, our Social Activities Co-ordinators work hard to plan a full schedule of activities so that every day provides new opportunities for meeting people.

Guiding us every day is each resident's care plan. In addition to 24-hour care, we can arrange additional services such as physiotherapy, chiropody, osteopathy, dental, optical care, aromatherapy, reflexology and speech therapy. We also provide full support from the local and district medical services.

Local residents may transfer unconditionally to the local GP practice. They provide a full medical examination and medication review without charge. Our care team is under the direct control of our Operations Director and Home Manager, Clive Ansell-Jones, who has more than 23 years experience in health care and care management. His commitment and the hard work of his extensive care team, provides residents with friendly companionship and personal involvement that ensures their well-being is always the top priority.
