Actively Caring

A warm welcome

Broadlands is an imposing Edwardian House set in three acres of beautiful grounds leading right onto the waterfront of the Broads. Many of the rooms have outstanding views and there is a choice of comfortable lounges and a conservatory.

"Each of our homes is part of its local community and we strive to maintain good links in each locality"

Accommodation

Broadlands has a total of 45 bedrooms, the majority with en-suite facilities. Each bedroom is fully furnished to a high standard. Residents are encouraged to bring in personal items such as pictures, ornaments and small items of furniture. The rooms are also equipped with a nurse call system, T.V. point, easily accessible light switches and sockets. A pay phone is available but residents may have a telephone in their room at their expense.

Dining

Our catering team is committed to providing interesting and nutritional meals. Residents are offered a varied menu for each meal, with a choice of tasty and well presented food. Residents may eat in the dining room or take meals in their rooms if desired. All medical and special diets are catered for.

Staffing

A qualified and experienced Manager and team provide 24 hour management cover for the home, and they are ably supported by trained care assistants, catering and domestic staff.

Facilities

There are four comfortable lounges for residents as well as an elegantly restored conservatory. There is a sense of space and light throughout the home. The magnificent garden has full access to the Broads and is well used throughout the year. There are seven high dependency rooms fully equipped with overhead hoists, which enables the home to meet the needs of frailer residents. There is a passenger lift to all floors and a call system throughout the home.

“Our ultimate goal is to create smiles – a happy home for our residents”

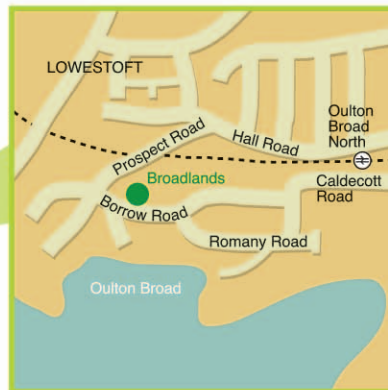

Broadlands is owned and operated by Greensleeves Homes Trust, which is a “not for profit” charitable organisation providing care and accommodation for older people. Our aim is to offer you high quality care, in a safe and friendly environment, which respects your rights, dignity and privacy, and gives you the maximum opportunity to exercise personal autonomy and choice.

All our homes are registered with the appropriate statutory authority and comply with the relevant legislation. They are also visited every month by a member of Greensleeves’ senior management team to monitor their compliance with our own quality standards.

More detailed information on the facilities and services available at Broadlands is found in the Residents’ Guide which is supplied to everyone when they come in to the home.
