Actively Caring

A warm welcome

Pelsall Hall is a late Victorian building of charm and character, which has been converted and extended for residential care use while retaining many of its original features. It is set within two acres of attractive grounds in a pleasant residential area, convenient for shops and local amenities. It is located in Pelsall, a few minutes drive from the West Midlands town of Walsall, and some fourteen miles north of Birmingham City Centre. The home includes six rooms which are equipped to meet the needs of residents with dementia.

Accommodation

There are a total of 39 bed sitting rooms, most fitted with en-suite facilities. Each room is fully furnished to a high standard. Residents are encouraged to bring in personal items such as pictures, ornaments and small items of furniture. The rooms are also equipped with a call bell system, T.V. point, easily accessible light switches and plug sockets. In addition, we have a number of assisted bathrooms/shower rooms. Residents may have a telephone in their room at their expense.

“Each of our homes is part of its local community and we strive to maintain good links in each locality”

Dining

Our catering team is committed to providing interesting and nutritional meals. Residents are offered a varied menu for each meal, with a choice of tasty and well presented food. Residents may eat in the dining room or take meals in their rooms if desired. All medical and special diets are catered for.

Staffing

A qualified and experienced Manager and team provide 24 hour management cover for the home, and they are ably supported by trained care assistants, catering and domestic staff.

Facilities

We have a comfortable lounge and a dining room which overlooks the garden. We also have a bistro and a family room which has a PC with internet access for residents' and visitors' use. There is a passenger lift to all floors and a call system throughout the Home. There is a pleasant well laid out garden with full access.

The home arranges a regular programme of activities, outings and trips for the residents. There are also regular visits by a hairdresser and chiroprapist.

“Our ultimate goal is to create smiles – a happy home for our residents”

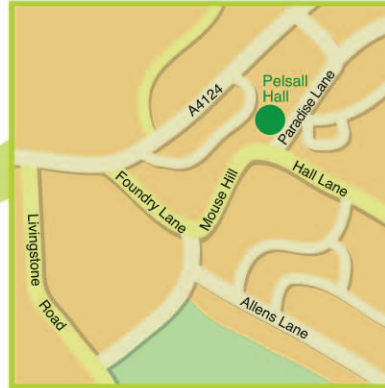

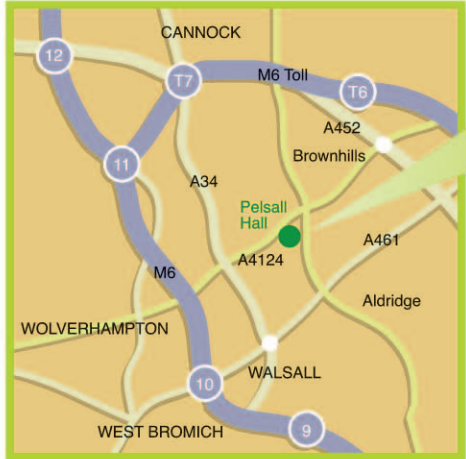

Pelsall Hall is owned and operated by Greensleeves Homes Trust, which is a “not for profit” charitable organisation providing care and accommodation for older people.
