

How much rent will I have to pay?

Rents vary slightly from scheme to scheme but details will be provided when an offer of tenancy is made. All sheltered housing tenants pay for their own electricity and depending on the scheme some have their own individual heating systems. The total charge will be made up of the following charges.

- Rent
- Sheltered charge
- Repairs and Maintenance communal areas
- Grounds Maintenance
- Communal Utilities
- Cleaning
- Staff
- Administration Charge
- Support Services

What is Supporting People?

Supporting People is a Government scheme that helps people pay for support services, It is currently administered by Norfolk County Council who also makes sure that the services provided are:

- The type of support that people actually want
- In places where people really need them
- Of a high quality

Supporting people can help to pay for support services that help you stay in your home including scheme manager's and the community alarm service but does not pay for any care you may receive. Supporting people currently will pay the whole support charge for everyone who gets housing benefit.

Location:

Situated on the B1332 Brooke is an attractive South Norfolk village in a wooded area set around two reedy meres (lakes). St Peter's is the 800 year old round-towered church.

The village sits south of the fine City of Norwich. and an equidistance of approx 7 miles from the Suffolk town of Bungay but it is saved from any sense of suburbia by a large village green and the meres at its heart.
