

St Andrews

Welwyn Garden City, Hertfordshire

*social
activities*

Providing quality residential care since 1972, St Andrews is situated in its own grounds, surrounded by tranquil parklands. The home also enjoys spectacular views of Welwyn Garden City golf course. Conveniently located between Old Welwyn and Welwyn Garden City, St Andrews also offers easy access to the A1. St Andrews prides itself in providing the very highest standards in specialised, personalised care to all of its residents.

At St Andrews, we work hard to ensure our residents feel fully at home. We offer single en-suite bedrooms, which we actively encourage residents to personalise with their own belongings. Some rooms have an extra shower facility.

Depending on an individual's specific requirements, St Andrews offers differing levels of care within different areas of the home. The Garden Suite offers Dementia Care to those with dementia-related illnesses, including individual and organised activities. Specialist Residential Care is provided in surroundings specifically designed for residents with high levels of dependency. This unit also provides easy access to our spacious grounds for our more physically active residents.

arts & crafts

St Andrews offers residents a varied menu of home cooked meals. Tailored for specific dietary requirements and individual preferences, our cooks prepare meals which are both delicious and nutritionally balanced. Residents may take their meals in our dining room, the lounge diner or in the privacy of their own room. Morning coffee and afternoon tea are provided, with additional snacks available throughout the day. All units have facilities for families to prepare refreshments for themselves.
