Actively Caring

A warm welcome

Queen Elizabeth House is a very comfortable purpose-built residential home opened by the Queen Mother in 1990. The home is situated on the London/Kent borders mid-way between the busy towns of Bromley and Petts Wood.

“Our ultimate goal is to create smiles – a happy home for our residents”

Accommodation

Queen Elizabeth House has a total of 28 bedrooms with en-suite facilities. Each room is fully furnished to a high standard. Residents are encouraged to bring in personal items such as pictures, ornaments and small items of furniture. The rooms are also equipped with a call bell system, T.V. point, easily accessible light switches and plug sockets. In addition, we have a number of assisted bathrooms/shower rooms. Residents may have a telephone in their room at their expense.

Dining

Our catering team is committed to providing interesting and nutritional meals. Residents are offered a varied menu for each meal, with a choice of tasty and well presented food. Residents may eat in the dining room or take meals in their rooms if desired. All medical and special diets are catered for.

Staffing

A qualified and experienced Manager and team provide 24 hour management cover for the home, and they are ably supported by trained care assistants, catering and domestic staff.

Facilities

The home has a very large bright, spacious and tastefully decorated sitting room that gives a full view at the front. There is also a small lounge and library overlooking the back garden. A passenger lift is available to the upper floor.

The home arranges a regular programme of activities, outings and trips for the residents. There are also regular visits by a hairdresser and chiropodist.

"Each of our homes is part of its local community and we strive to maintain good links in each locality"

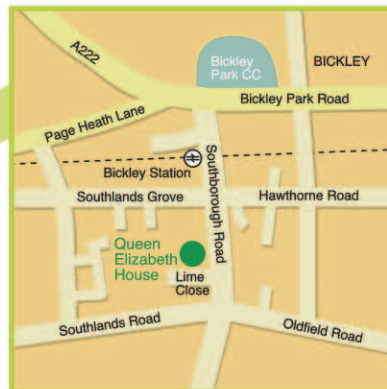

Queen Elizabeth House is owned and operated by Greensleeves Homes Trust, which is a “not for profit” charitable organisation providing care and accommodation for older people. Our aim is to offer you high quality care, in a safe and friendly environment, which respects your rights, dignity and privacy, and gives you the maximum opportunity to exercise personal autonomy and choice.

All our homes are registered with the appropriate statutory authority and comply with the relevant legislation. They are also visited every month by a member of Greensleeves’ senior management team to monitor their compliance with our own quality standards.

Fuller information on the facilities and services available at Queen Elizabeth House is found in the Residents’ Guide which is supplied to everyone when they come in to the home.
