Dementia Care

Person-centred care and support

We understand that choosing the right care environment is an important decision, and at MHA we care about your new home as much as you do. Working with older people for over 65 years, we have used our experience to develop a special service at Claybourne offering:

- dementia care within a friendly home environment
- a personal care package tailored to meet your individual needs
- an on-site dedicated staff team to provide you with 24-hour care.

MHA – Where People Care

Making the decision to move into care can be a challenging time, and we aim to reassure you that it can be a move towards a more fulfilling later life. MHA's care homes offer a comfortable environment that provides peace of mind, security, support and stimulation. We see every resident as a unique individual and provide care that is based on respect and loving support.

Claybourne

Claybourne is situated within a quiet residential area on Turnhust Road, Stoke-on-Trent. The location ensures quiet surroundings and a relaxed pace of life.

Here we provide residential care for people living with dementia in a purpose-built setting, designed for your ease of access and comfort, with an on-site dedicated staff team to provide you with 24-hour care and support.

Your Accommodation

As a resident, you'll enjoy staying in your own private single room, designed to make your time at Claybourne a relaxing and comfortable one. Bright and airy, your room comes complete with high-quality furnishings and is yours to personalise to your own taste and make your own.

All rooms have modern en suite facilities and TV and telephone points, enabling you to relax and enjoy calls within the privacy of your own room.

Your Care

We aim to give each individual, person-centred care within a calm and relaxed environment. We will organise daily activities to suit your personal interests and abilities, to maintain life skills.

Your keyworker will spend time with you to develop your own individual care plan and inform other staff about how you wish to spend your time. In this way we will ensure that we address all your personal care needs.

Dementia Care - MHA recognises each person as a unique individual. By getting to know the person and their life history, we aim to understand the meaning behind behaviour and plan our care to reduce any frustrations and improve well-being.

Most importantly we ensure each resident is treated with the respect and dignity that we all deserve.

The Care Team

Our Home Manager is a fully qualified professional who leads a team including a deputy manager, team leaders, care assistants and support staff. All our staff are fully trained in MHA's high-quality care and play a vital part in the creation of a natural, homely atmosphere.

Health Care

As a resident of Claybourne, you will have access to the full spectrum of local health and medical services such as your own GP, hospital appointments and community nursing services. A chiropodist, an optician, an occupational therapist and a dentist all visit residents regularly. All you need to do is inform a member of our care team if you would like to make an appointment with one of these health professionals.

Cleaning and Laundry

Our domestic assistants are responsible for the cleanliness and maintenance of the home and will provide you with a thorough room cleaning service on a regular basis.

Our laundry facilities are fitted out to commercial standards and your personal washing will be carefully cleaned and returned to you within 48 hours.

Meals and Refreshments

Our food is freshly prepared on site by highly trained and experienced staff. Daily menus are prepared in consultation with residents, and this enables us to provide you with a tasty and interesting diet. All of the catering staff are further trained in meeting any specialist dietary requirements as well as your own individual preferences.

We serve meals three times per day in our dining rooms, plus morning coffee with biscuits and afternoon tea.

Security and Peace of Mind

Help is always at hand with our emergency call system. A call bell point is provided in every room so that in an emergency the care staff can come to your aid promptly – 24 hours a day, 365 days a year. Our external doors are all controlled by an alarm, making the home secure and our fire alarm is tested every week. We regularly update staff on fire precautions and procedures.

Social Facilities

Claybourne has a number of residents' communal areas including spacious lounge-dining rooms, seating areas, quiet rooms and the main foyer. You'll find all these areas sociable and popular meeting places for residents.

Whilst we always respect your privacy, Claybourne has its own Social Care Co-ordinator who organises a complete range of activities for you to take part in if you wish. These include crafts, sing-alongs, physical fun, games, bingo and coffee mornings.

Outside entertainers including theatre groups and musicians visit us regularly and we also like to organise social outings such as bus trips. Alternatively you may like to take a stroll around our purpose-built sensory garden.

Community Facilities

We have links with various local organisations who offer opportunities for us to join with other groups, day centres and provide transport to local events. Also, our care team will be happy to advise you on local places of interest that we may be able to arrange for you to visit, whilst being sympathetic to your care needs.

Quality Standards

We operate our own Quality Standards Programme that is constantly audited and monitored to ensure the highest standards in all areas. MHA has been highly praised for excellent service by the Care Quality Commission, the Centre for Policy on Ageing and the Government's Audit Commission. If you would like further validation of our standards and quality of services, please do not hesitate to ask.

Spiritual Well-being

At MHA, we support each older person to live life in the way that they wish, providing opportunities for fulfilment.

We believe that spiritual well-being is achieved by nurturing the human spirit: through relationships and positive experiences – be they with God, family and friends, animals, nature, music, art or other creative activities.

In addition to our care staff and many volunteers, we have our own Chaplain who is available for pastoral support. Our Chaplain also organises worship services for those who wish to attend and can arrange for contact with other religious ministers if you prefer.

Visitors

Friends and family can visit you whenever they wish and are welcome to join you for a meal, for which we charge a small fee.
