

Waverley House *Care Home*

Waverley House is a modern purpose built care home set within the thriving attractive market town of Leominster, Herefordshire. A Town that offers the warmth of timeless timber faced buildings and fine hostelrys providing a place for people to meet and rest a while.

Expertise

Waverley House provides a specialist nursing care service for people with dementia. The structured environment and therapeutic activities provide and encourage confidence, whilst assisting in maximising independence.

At Waverley House, your loved one will receive tailored care with a positive and therapeutic structured support program.

Regular assessments are undertaken forming the basis of "Person Centred" care.

The Home

Waverley House is located in the sort after location of Etnam Street with its public parking and near by lanes for shopping and onward access to the Town Centre. Accommodation is provided in spacious well lit rooms with on-suite facilities; decoration is provided in tune to the needs of our client group by the best use of colour and design, yet keeping a

homely feeling throughout. Our restaurant offers home cooked food, with snacks & drinks on request. We have an on site hair and beauty salon from where a qualified hairdresser attends weekly. This facility is open to both male and female residents.

Activities

The home aims to maximise each individual's abilities, encouraging participation within both group, and individual stimulation, offered by our Activity Co-coordinator; whose role is to support each resident and encourage them in all they wish to do. Activities are drawn from each residents own life history record; responding to individual preferences.

Maintenance of health is vitally important, we have close relationships with local General Practitioners, district nurses and social care staff.

Waverley House *Care Home*

In Summary:

Staff will wherever possible; follow careful assessment and discussion, promoting responsible risk taking in order to help maximise each person's level of independence. We hold regular meetings with residents' families. The feedback and input we receive, ensures we are responding to everyone's needs, whilst at the same time delivering evidenced based quality care.

Waverley House is registered to provide specialist nursing dementia care for 30 people, specialist residential dementia care for 10 people, reablement for 7 people. There is also a 20-place day centre for older people.
