Lovatt Court is a retirement housing scheme with 20 flats in total, consisting of 14 one bedroom flats, 1 two bedroom flat and 5 disabled adapted flats.

Our facilities

Welcoming and supportive

Lovatt Court is designed to encourage independent living. Support is available if needed.

The scheme has a large communal garden for residents to enjoy and we encourage all residents to participate in gardening activities if they like.

The scheme also has a large communal lounge with tea and coffee making facilities available.

Our services

Care and commitment

All our services are in place to allow residents to live as independently as they can.

There is a scheme manager to encourage independent living. The scheme manager is available between the hours of 8 am and 4 pm, Tuesday, Wednesday and Friday.

There is an emergency call centre available 24 hours a day all year round which can be activated using the pull cords in each of the flats and the communal areas.

Activities

Things to do, places to go

Staff encourage residents to organise their own events and activities as part of our drive to encourage independent living.

We have coffee mornings, bingo, occasional lunches, Christmas dinner party and coach trips. Family and friends are always welcome to join in with activities at the scheme.
