## Who are we?

Spire View provides independent living accommodation for people aged over 55 years old in a secure and friendly environment where customers can live happy and healthy independent lives.

---

Many people find having the support of a scheme manager helps them to identify and overcome difficulties. These difficulties may prevent them from improving or building independent lives.

We'll help you to plan the support you need to live independently. You'll be signposted to the appropriate services for welfare and benefit advice to gain confidence in accessing different support channels set up by the government. As well as helping to overcome existing difficulties, this often prevents new problems developing.

## We'll help you with:

- Gaining more independent living
- Gaining advice in claiming welfare benefits
- Making decisions for yourself
- Having a say about any changes relating to the service or the scheme.

## We offer

- A dedicated scheme manager's service to enable customers to maintain full and independent lives in their own homes
- Signposting to specialist services
- Telephone support via our 24/7 Customer Wellbeing team
- Agreed regular contact
- Respect for choices, privacy, confidentiality and promotion of equalities and diversity.
