Charitable Trust

Welcome to Pannel Croft Retirement Village

We're delighted to welcome you to Pannel Croft Retirement Village, part of the ExtraCare Charitable Trust collection.

Set near the city centre of Birmingham, located in Newtown, our village provides independent living in beautiful surroundings for over 55s. We're a registered charity and our mission is to provide homes people want, a lifestyle they can enjoy and care if it's needed. Part of our philosophy is that later life is a time for doing more, not less, that's why we encourage residents to take part in our varied activity schedule and to start new hobbies.

The village is a safe haven for all and there is a real sense of belonging among both staff and residents at Pannel Croft Retirement Village. Everyone looks out for each other, residents and staff care about each other's wellbeing – we really are like one big family.

Use your time at Pannel Croft Retirement Village to make new friends, try exciting activities and enjoy our wonderful facilities.

We look forward to welcoming you into our community!

Making an impact

Findings from an independent study into healthy ageing carried out by Aston and Lancaster Universities (2019) evaluated how our unique model of integrated homes, health and social care makes a real difference to older people's lives.

The research found that after moving in, residents felt a significant improvement to their physical and mental health.

“It's terribly important that the example ExtraCare has set is more widely known and communicated to society, particularly to people in local governments so that they can realise the benefits to the health service that these villages bring.”

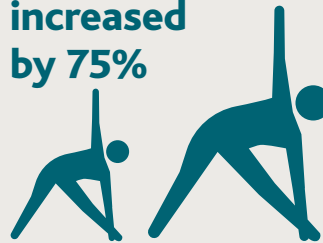

The Baroness Sally Greengross OBE

The number of residents suffering with **clinical levels of depression fell by 64.3%** over 18 months

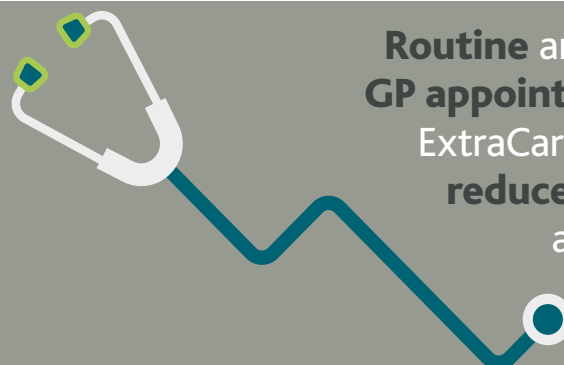

86.5% of residents were 'never or hardly ever' lonely

Exercise by residents **increased by 75%**

18% reduced risk of falling compared to older people living in the community

Routine and regular GP appointments for ExtraCare residents reduced by 46% after a year

NHS costs for ExtraCare residents were **cut by 38%** over 12 months compared with when they first arrived

A safe haven for our residents

In June 2020, we caught up with residents across our village network to ensure they continue to feel safe and secure. Here's what they had to say about ExtraCare villages:

“

I've made some wonderful new friends since moving here and the staff are amazing.”

Megan (83) lives alone but feels safe

“

There's no stress, everything you want is here. But it's the peace of mind for me and for my children – that's what's most important.”

Myrtle (82) keeps active with fitness classes

“

Sometimes I sing to other residents from my balcony! Nobody minds, it's brilliant. Everyone is so friendly – what more can I say?”

Ron (93) loves the security and companionship

“

I've got everything under one roof here. I've got to know all my neighbours – everyone speaks to everyone, it's really good.”

David (64) enjoys the quiz nights

“

I'm very happy, it's fantastic and the village is an amazing concept. Everything you want is here and I've made good friends along the way.”

Sheena (66) runs her village choir

Did you know...

- The village opened in 2012
