Providing award winning customer service

We're incredibly proud to have been awarded a 5 Star rating in customer satisfaction for ten consecutive years, as voted for by our homeowners via the House Builders Federation (HBF) survey.

We're delighted that so many of our homeowners say they would happily recommend us to their friends and family, we believe this is testimony to the quality and attention to detail that goes into the service we provide, and all our developments.

Since we started in 1977 we've built almost 50,000 apartments, as well as a strong reputation for quality. It's nice to know that we're getting it right, for the people who really matter.

Enjoy a tranquil retirement beside the Grand Union Canal

Grand Union Canal

There's something for everyone in Glen Parva

The perfect location for Assisted Living

Imagine a retirement where every morning you are greeted by views of the picturesque Grand Union Canal. Watch canal boats of all shapes and sizes float by your apartment through your floor-to-ceiling windows, or why not take a stroll around the landscaped gardens along the canal side and feed the team of ducks as they swim by. Glenhills Court can offer you the tranquillity of canal side living, whilst providing a true sense of community and friendship.

The design of Glenhills Court retains the character of the County Arms Public House which was built in the 1930s. Once a social hub in the local community, we are proud to have brought this landmark building back to life. Ideally located and offering homeowners canal side living, the development is a short walk away from the shops and amenities at 'Carvers Corner', less than half a mile from the main shopping area in Blaby and less than 3 miles from Fosse Park.

Located less than five miles from Leicester City Centre, homeowners benefit from an excellent bus service with the nearest bus stop just 120 metres from Glenhills Court.

A life made
easier with
McCarthy & Stone

We're proud of our caring and dedicated team

A completely flexible service tailored to suit your needs

With Assisted Living, the care and support you receive is every bit as important as the beautiful apartment you'll move into. Our wonderful care and management team is very much an integral part of day-to-day life and you'll come to know them well.

YourLife Management Services

Care and support at our developments is delivered by YourLife Management which was created in 2010 as a joint venture between McCarthy & Stone and the highly regarded care provider, Somerset Care. It's regulated by the Care Quality Commission in England (in Scotland, the care regulator is the Care Inspectorate and in Wales the care regulator is the Care and Social Services Inspectorate).

Everyone who works for YourLife is totally dedicated to what they do, and they go that extra mile to provide exceptional levels of care and

support. For your peace of mind, each staff member has a certificate from the DBS (The Disclosure and Barring Service) and we invest in their training to ensure they have all the skills they need to provide you with a fantastic service.

If you think you would benefit from these services, you can arrange a confidential wellbeing assessment with the Estate Manager to make sure everything is in place from the moment you move in.

YourLife
Care and Management

Personal care

Our team is on hand around the clock to make life easier for you. There's a whole range of services on offer like helping you get dressed, making sure you take your medication on time or giving more support if you've recently come out of hospital.

Your service charge includes one hour's domestic assistance every week. You can use the time to get help with everyday tasks, leaving you more time to do the things you enjoy.

If you would like more than your one hour of assistance, you can book any of these services from as little as a 15

minute session for an extra charge.

This flexibility means you only pay for the care and support you need, when you need it.

If you need more help with personal care or other domestic chores, you can choose to 'top up' more support from the following services:

Domestic assistance

You can add in extra time to help with things like changing the bed, cleaning the bathroom, shopping for groceries or posting letters.

Laundry service

The team can take care of all your laundry requirements and return your items washed, dried and ironed within 24 hours.

Lifestyle support

If you want to take a shopping trip or have an evening at the theatre, one of our team will be happy to assist you.

Enjoy more time to socialise with new friends and neighbours

The wonderful thing about Assisted Living is that you'll never feel alone. There's always something going on around the development and there are plenty of facilities for you to take advantage of:

Restaurant

Central to the development is our table service restaurant. It's a lovely place to meet up with other homeowners and a nice treat if you don't want to cook for yourself. The restaurant serves freshly prepared lunches daily for you, your family and friends, using locally sourced ingredients and catering for special dietary requirements. If you're planning a special occasion or celebration, you're welcome to book the function room and talk to our chef who will be happy to devise a menu for you. If you're not feeling well then meals can be served in your apartment^o.

Around the development

If you fancy a cup of tea or coffee with your new neighbours, you can join them in the homeowners' lounge.

Canal side gardens

On a sunny day, it's also nice to relax in the beautiful landscaped gardens and patio area overlooking the canal. And with all maintenance taken care of, you'll have no worries about cutting the grass or weeding.

Guest suite

If your friends and family want to visit, they're welcome to use the guest suite which provides en-suite accommodation with TV and tea and coffee making facilities.

Sun Terrace

When you're looking for somewhere to soak up the sun with a good book, there is no better place than the terrace area overlooking the courtyard.

It's a social place to live

It's up to our homeowners to decide what social events and activities happen at each development and the Estate Management Team is on hand to help organise them. There's everything from book clubs, film nights and day trips but the great thing is, you choose how much or how little you get involved.

“ *It's an incredibly special place to live. There's always someone to talk to and we never feel lonely - we all feel very safe here, with great staff who not only care for us, but understand us too.* **”**

Perfect for relaxing and entertaining, your living room will have enough space to welcome your friends and family. We've also ensured that telephone, TV and Sky* connection points are fitted ready for you from the day you move in. Throughout the apartment, everything is kept light and neutral, so whatever your taste in furniture and

furnishings, everything is sure to coordinate beautifully. Some apartments even have their own balconies or private patios.

In the kitchen, you'll see that we've incorporated a range of high quality appliances, including raised oven, ceramic hob and integral fridge/freezer. And everything is laid out to make cooking and cleaning as effortless as possible, completed with coordinating tiles, splashbacks and worktops for a top quality look.

Our luxurious level access shower rooms are designed to offer both functionality and safety. They all have level access, so you don't have to step in and out of a bath, lever taps which turn on and off effortlessly and slip resistant flooring.

Our comfortable apartments are built to the Lifetime Homes Standard – a set of 16 design criteria that provide a model for building accessible and adaptable homes – and are wheelchair friendly. You'll also find a secure charging area for mobility scooters#.

With double glazing, insulation and underfloor heating throughout, your apartment will also be incredibly energy efficient, allowing you to keep warm whilst keeping your heating bills low.

Safe and Secure

In a McCarthy & Stone development your security is paramount, and you can rest assured we've got it covered.
