A new place to call home

As we get older it can be hard to keep up with the demands of looking after your home.

At Newsome Vale we offer high quality apartments for people aged 55 and over. Our aim is simple, to make your life as easy, comfortable and enjoyable as it can be.

Our spacious one or two bedroom apartments mean couples can stay together and live as independently as you wish.

Benefits of living at Newsome Vale

To help make getting round your new home as easy as possible we've made sure all of our rooms have level access, come equipped with a wet room and that there's lift access on every floor.

You can also get involved in a range of activities put on daily by our on-site wellbeing facilitators, including:

- Pottery
- Arts and crafts
- Film club
- Quiz nights
- Cards
- Knitting
- Chair aerobics
- Bingo
- Book club
- Karaoke
- Line dancing

If there's something you want to try, just let us know!

What can I get involved in?

When we asked older people what they would like from a place like Newsome Vale, they told us that choice was really important to them.

That's why we've made sure that you can get involved in social activities at Newsome Vale as little or as much as you like.

So whether it's making the most of the communal areas to read a book, or taking a stroll through the beautiful gardens, the choice is yours.
