Welcome to Longbridge Village

We're delighted to welcome you to Longbridge Village, part of the ExtraCare Charitable Trust collection.

Located on five acres in front of Lickey Road on the edge of Longbridge Town Centre, our village provides independent living in beautiful surroundings for over 55s. We're a registered charity and our mission is to provide homes people want, a lifestyle they can enjoy and care if it's needed. Part of our philosophy is that later life is a time for doing more, not less, that's why we encourage residents to take part in our varied activity schedule and to start new hobbies.

The village is a safe haven for all and there is a real sense of belonging among both staff and residents at Longbridge Village. Everyone looks out for each other, residents and staff care about each other's wellbeing - we really are like one big family.

Use your time at Longbridge Village to make new friends, try exciting activities and enjoy our wonderful facilities.

We look forward to welcoming you into our community!

Making an impact

Findings from an independent study into healthy ageing carried out by Aston and Lancaster Universities (2019) evaluated how our unique model of integrated homes, health and social care makes a real difference to older people's lives.

The research found that after moving in, residents felt a significant improvement to their physical and mental health.

Light and spacious apartments

All homes at Longbridge Village provide independent living as part of a wider, bustling community.

Each home has been thoughtfully designed to enhance your life. We've thought about every last detail so you don't need to worry about a thing. All you need to do is move in and start making memories.

A safe haven for our residents

In June 2020, we caught up with residents across our village network to ensure they continue to feel safe and secure. Here's what they had to say about ExtraCare villages:

‘I join the exercise classes in the village hall and there's plenty of entertainment too - it's a dream really.

John, 86, volunteers on reception

‘There's no stress, everything you want is here. But it's the peace of mind for me and for my children - that's what's most important.

Myrtle, 82, keeps active with fitness classes

‘Sometimes I sing to other residents from my balcony! Nobody minds, it's brilliant. Everyone is so friendly - what more can I say?

Ron, 93, loves the security and companionship

‘I'm very happy, it's fantastic and their village is an amazing concept. Everything you want is here and I've made good friends along the way.

The village is situated on the edge of Longbridge town centre. Once home to the Austin Mini factory, momentum has been building over recent years to transform the 468-acre site to reconnect and rejuvenate the area. The local council are investing in creating new opportunities in the area to inspire the next generation. Longbridge is a place with a proud heritage and an exciting future for everyone, including families, businesses and students – as well as our Longbridge Village residents.

Retail therapy

At the heart of Longbridge is the town centre which boasts a range of shops, cafés and restaurants where you can safely dine, shop and relax. As well as the largest M&S in the Midlands, Longbridge has a range of sought-after shops including a Sainsbury's, Boots and Smyths Toys. You'll never get hungry either as there are a huge variety of restaurants, takeaways and cafés right on your doorstep.

If you fancy a breather, why not take a stroll across the three acres of parkland at Austin Park, or venture even further to explore the Lickey Hills? Get out there and experience the vast open spaces for yourself.
