## Providing award winning customer service

We're incredibly proud to have been awarded a 5 Star rating in customer satisfaction for ten consecutive years, as voted for by our homeowners via the House Builders Federation (HBF) survey.

We're delighted that so many of our homeowners say they would happily recommend us to their friends and family, we believe this is testimony to the quality and attention to detail that goes into the service we provide, and all our developments.

Since we started in 1977 we've built almost 50,000 apartments, as well as a strong reputation for quality. It's nice to know that we're getting it right, for the people who really matter.

# We're proud of our caring and dedicated team

## A completely flexible service tailored to suit your needs

With Assisted Living, the care and support you receive is every bit as important as the beautiful apartment you'll move into. Our wonderful care and management team is very much an integral part of day-to-day life and you'll come to know them well.

## YourLife Management Services

Care and support at our developments is delivered by YourLife Management which was created in 2010 as a joint venture between McCarthy & Stone and the highly regarded care provider, Somerset Care. It's regulated by the Care Quality Commission in England (in Scotland, the care regulator is the Care Inspectorate and in Wales the care regulator is the Care and Social Services Inspectorate).

Everyone who works for YourLife is totally dedicated to what they do, and they go that extra mile to provide exceptional levels of care and

support. For your peace of mind, each staff member has a certificate from the DBS (The Disclosure and Barring Service) and we invest in their training to ensure they have all the skills they need to provide you with a fantastic service.

If you think you would benefit from these services, you can arrange a confidential wellbeing assessment with the Estate Manager to make sure everything is in place from the moment you move in.

**YourLife**  
Care and Management

### Personal care

Our team is on hand around the clock to make life easier for you. There's a whole range of services on offer like helping you get dressed, making sure you take your medication on time or giving more support if you've recently come out of hospital.

Your service charge includes one hour's domestic assistance every week. You can use the time to get help with everyday tasks, leaving you more time to do the things you enjoy.

If you would like more than your one hour of assistance, you can book any of these services from as little as a 15

minute session for an extra charge.

This flexibility means you only pay for the care and support you need, when you need it.

If you need more help with personal care or other domestic chores, you can choose to 'top up' more support from the following services:

### Domestic assistance

You can add in extra time to help with things like changing the bed, cleaning the bathroom, shopping for groceries or posting letters.

### Laundry service

The team can take care of all your laundry requirements and return your items washed, dried and ironed within 24 hours.

### Lifestyle support

If you want to take a shopping trip or have an evening at the theatre, one of our team will be happy to assist you.

## Enjoy more time to socialise with new friends and neighbours

The wonderful thing about Assisted Living is that you'll never feel alone. There's always something going on around the development and there are plenty of facilities for you to take advantage of:

### Restaurant

Central to the development is our table service restaurant with panoramic views of the River Trent, it is a lovely place to meet up with other homeowners and perfect for those days that you don't want to cook for yourself. The restaurant serves freshly prepared lunches daily for you, your family and friends, using locally sourced ingredients and catering for special dietary requirements. If you're planning a special occasion or celebration, you're welcome to book the function room and talk to our chef who will be happy to devise a menu for you. If you're not feeling well then meals can be served in your apartment.

### Homeowners' lounge

If you fancy a cup of tea or coffee with your new neighbours, you can join them in the homeowners' lounge where you will find comfy sofas and plenty of space to relax whilst enjoying views over the river. You can also walk out of the homeowners' lounge and soak up the sun on the outdoor terrace area.

### Landscaped gardens

On a sunny day, it's also nice to relax in the landscaped garden and patio area. And with all maintenance taken care of, you'll have no worries about cutting the grass or weeding.

### Guest suite

If your friends and family want to visit, they're welcome to use the guest suite which provides en-suite accommodation with TV and tea and coffee making facilities<sup>9</sup>.

### Reading Room and Roof Terrace

When you're looking for somewhere a little quieter, you can relax with a cup of tea and a good book in the reading room, which opens out onto a sunny rooftop terrace looking over to West Bridgford and surrounding areas.

### It's a social place to live

It's up to our homeowners to decide what social events and activities happen at each development and the Estate Management Team is on hand to help organise them. There's everything from book clubs, film nights and day trips but the great thing is, you choose how much or how little you get involved.

*“It's an incredibly special place to live. There's always someone to talk to and we never feel lonely - we all feel very safe here, with great staff who not only care for us, but understand us too.”*
