

Chaddesley

At Elmbridge Housing Trust we recognise that getting older means different things to different people. Whether you are looking for greater security, somewhere more affordable, companionship, or simply a more manageable home, **Chaddesley** is specially designed to meet your needs.

These select self contained flats in Weybridge are convenient for the shops, health centre, buses, and places of worship. There is a lovely rear garden, or for the more energetic, an easy walk to the River Wey and Day Centre. Chaddesley has a friendly environment where you can join in the social functions and meet new people or simply enjoy the peace of your own home.

Costs

A range of facilities are provided in our ERA properties, for which we charge rent and service charges. The service charges are used to cover the costs of communal services such as lighting and heating corridors and lounges, the provision of the community alarm service, the scheme manager service, as well as the replacements of fixtures and fittings. Each scheme is slightly different, and in this scheme the service charges cover:

- Scheme Manager costs
- Community Alarm costs
- Communal fixtures and fittings costs
- Communal lift costs
- Communal grounds maintenance
- Communal internal and external window cleaning
- Communal heating costs
- Communal electricity costs
- Communal Council Tax
- Communal water rates
- Personal heating in the flat
- Personal electricity usage in the flat
- Personal water rates

Please note, this is not an exclusive list, however it does cover the main services included in the service charge. Personal heating and electricity are shown separately on your bill.
