## Costs

A range of facilities are provided in our ERA properties, for which we charge rent and service charges. The service charges are used to cover the costs of communal services such as lighting and heating corridors and lounges, the provision of the community alarm service, the scheme manager service, as well as the replacements of fixtures and fittings. Each scheme is slightly different, and in this scheme the service charges cover:

- Scheme Manager costs
- Community Alarm costs
- Communal fixtures and fittings costs
- Communal lift costs
- Communal grounds maintenance
- Communal internal and external window cleaning
- Communal heating costs
- Communal electricity costs
- Communal Council Tax
- Communal water rates
- Personal heating in the flat
- Personal electricity usage in the flat
- Personal water rates

Please note, this is not an exclusive list, however it does cover the main services included in the service charge. Personal heating and electricity are shown separately on your bill.
