Our services

Care and commitment

All our services are in place to allow residents to live as independently as they can.

The scheme manager is available between the hours of 8 am and 4 pm, Monday to Friday. The scheme manager is primarily responsible for the general welfare of all tenants, dealing with emergencies and administration and care and maintenance of the building and equipment to provide a safe environment for our residents to live in.

Eldercare provides an emergency 24 hour alarm system all year round. If you need urgent assistance, there are pull cords in each of the flats and the communal lounge.

Activities

Things to do, places to go

Staff encourage residents to organise their own events and activities as part of our drive to encourage independent living.

At both Vicarage and Trinity Court there is a noticeboard on the ground floor near the office, lift area and communal lounge, which gives you information about what's happening at the scheme and in the local area.
