Byrnhill Grove

Park Avenue, Ventnor PO38 1LR

Byrnhill Grove, which is located in the Victorian spa town of Ventnor, offers 32 self-contained sheltered flats for older residents wishing to remain independent for as long as possible. The scheme also includes an extra care unit for frail older people (details provided in a separate leaflet).

Situated in the Undercliff area of the Island, Byrnhill Grove enjoys a year-round sub-tropical climate. It is close to many local attractions including the Botanic Gardens.

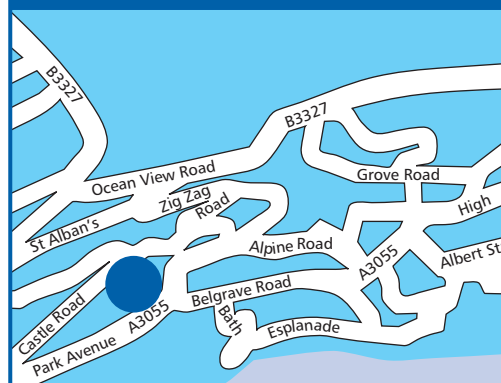

Sheltered housing residents are supported by our Resident Services Worker. There is a busy programme of social activities, which includes bingo, scrabble and various outings.

The scheme gets regular visits from a hairdresser, chiropodist and district nurse.

We welcome residents from all sections of the community.

Call Care and Supporting Independence on **01983 522 479** option 1, then option 2.

Sheltered housing schemes

Southern Housing Group provides self-contained flats in 10 sheltered housing schemes on the Isle of Wight for more than 300 people aged 60 or over.

To apply for a place, older people will need to put their names down on the Island Homefinder register.

Each scheme has a Resident Services Worker, who provides an intensive housing management service while on duty. Out of hours, residents have access to a community alarm call system.

Resident Services Workers will:

- make daily calls to all residents
- promote continued independence
- encourage residents to get involved in scheme activities
- involve other organisations that have resources to offer our residents
- signpost residents to specialist agencies.

Alongside the flats, schemes usually provide some shared facilities. For details see the front of this leaflet.
