Taransay Court

We understand that moving home is an important decision, and at MHA we care about your new home as much as you do. Working with older people for over 65 years, we have used our experience to develop a special service at Taransay Court offering:

- the privacy and pleasure of your own home within a friendly community,
- 24-hour support,
- the latest safety and security.

Enjoying later life to the full is all about having comfort, security and independence – the freedom to live your life, free from hassle and worry, with support available when you need it – and that's exactly what Taransay Court offers.

About Taransay Court

Taransay Court was opened in 1990 by Susan Baird, the second female Lord Provost of Glasgow. The Scheme is MHA's fourth project in Scotland – a sheltered housing complex in the Milton area of Glasgow, locally referred to as 'The House of Kindness'.

The complex comprises 37 purpose-built apartments, seven which are for couples, 30 are for single occupation. The one-bedroom apartments are suitable for single occupation and two-bedroom apartments are suitable for individuals or couples.

Designed to make life comfortable for older people accommodation is arranged on three levels with a lift and wheelchair access throughout.

The Location

Taransay Court is situated in Milton in Glasgow within easy walking distance of all the local shops, amenities and public transport.

Local places of interest include Glasgow's Kelvingrove Art Gallery and Museum, Scotland's most visited attraction and home to art collections from 'The Glasgow Boys' and 'Scottish Colourists'. The Museum of Transport, the St Mungo Museum of Religious Life and Art, the Macintosh House and the Tall Ship at Glasgow Harbour are all just a short distance away.

Flexible Support on Your Doorstep

At Taransay Court a dedicated Scheme Manager is available to residents between the usual hours of 9am and 5pm (Monday to Friday), providing flexible support tailored to your individual needs.

The Manager is responsible for organising all the cleaning and maintenance of the building so you don't have to worry.

All residents receive a regular daily call to discuss possible issues or offer friendly advice and support. Social activities and events are also organised for your enjoyment.

Our aim is to enable you to continue to live independently in your own home and maintain a good quality of life.

Safety & Peace of Mind

You will have no worries about security. A video door-entry system enables you to see visitors on your television and speak to them on your phone, before opening the front door – all from the comfort of your own apartment.

In the case of an emergency outside the Scheme Manager's working hours help is always at hand with our emergency call system. Pull-cords are located in the lounge, bedroom and bathroom and if required each tenant has a pendant to access an alarm control centre, which allows you to call for emergency assistance at any time.

Spiritual Well-Being

At MHA, we support each older person to live life in the way that they wish, providing opportunities for fulfilment.

We believe that spiritual well-being is achieved by nurturing the human spirit: through relationships and positive experiences – be they with God, family and friends, animals, nature, music, art or other creative activities.

In addition to our caring staff and many volunteers, we have our own Chaplain who is available for pastoral support. Our Chaplain also organises worship services for those who wish to attend and can arrange for contact with other religious ministers if you prefer.

Quality Standards

We offer a welcoming environment with caring support to all our residents. MHA has been awarded accreditation by the Centre for Sheltered Housing Studies, which means that we meet all their high-quality requirements.

We are registered with the Tenant Services Authority and fully comply with their requirements and those of the Care Quality Commission. MHA Managers regularly monitor all our housing schemes to ensure service delivery is the very best. Staff are chosen carefully to meet the standards required, regularly updating skills and knowledge to meet residents' needs.
