Services

Monday to Friday Morning Calls

All flats have been fitted with pull cords which link into the Careline. The scheme manager calls each morning – Monday to Friday between 9.00am – 10am, except when Manager is out of the office. The weekend calls (Saturday and Sunday) are dealt with by Chichester Careline. If a resident is sick or has to go away over the weekend in an emergency please inform Chichester Careline direct, by pulling red cord in flat or phoning 01243 778688.

When the scheme manager is “out of office hours” calls go direct to Chichester Careline. Please be aware that the staff are well trained to respond to all emergency calls and deal with each case. In cases of emergency, residents should pull the red cord to activate response either from Manager if on duty or Chichester Careline.

Support Plan

To enable the scheme manager to assess and plan the support you may need, a support plan form must be completed at the signing up or shortly after you settle in. The information you provide (private and confidential) will help us to facilitate you living independently and to ensure your wellbeing. The support plan is reviewed every six months. However, if there is any change in your circumstances this can be reviewed earlier if you let the manager know. We can arrange a mutually convenient date and time for the review to be carried out.

Resident Consultation

All residents are invited to the monthly House Meeting where residents are given the opportunity to make any comments/complaints and are kept informed of all that is going on at the Scheme.
