Our facilities

Welcoming and supportive

Barbara Brosnan Court is designed to encourage independent living. Support is available if needed.

The scheme is situated a few minutes walk from St John's Wood underground station.

There is a communal lounge which can be used by all residents and on site activities take place here from time to time.

There is also a hearing loop in the communal lounge to allow partially deaf people to take part in activities and meetings at the scheme.

There is a communal laundry which is free for all residents to use.

We have a guest room for visitors of the residents to stay in. There is a charge per person per night and the room can be booked in advance via the scheme manager.

Our services

Care and commitment

All our services are in place to allow residents to live as independently as they can.

There is a non-residential scheme manager to encourage independent living and assist with any problems or queries. The scheme manager is on duty 8.30 am to 4.30 pm, Monday to Friday.

When the scheme manager is off duty, an emergency alarm system provides 24 hour cover all year round.

Activities

Things to do, places to go

Staff encourage residents to organise their own events and activities as part of our drive to encourage independent living.

We hold coffee afternoons and we also have monthly evening events. We hope to expand on our activities in the future.
