Worsley Court is a sheltered scheme for older people who want to retain their independence. The scheme is situated a short distance from the shops, community centre and local churches.

The scheme has a Resident Services Worker and is linked to an out-of-hours emergency service. Social activities such as whist drives and bingo are held in the communal lounge. Coffee mornings and afternoon tea are available.

The scheme also has a kitchen, guest room, laundry room, attractive gardens and car parking.

We welcome residents from all sections of the community.

Sheltered housing schemes

Southern Housing Group provides self-contained flats in 10 sheltered housing schemes on the Isle of Wight for more than 300 people aged 60 or over.

To apply for a place, older people will need to put their names down on the Island Homefinder register.

Each scheme has a Resident Services Worker, who provides an intensive housing management service while on duty. Out of hours, residents have access to a community alarm call system.

Resident Services Workers will:

- make daily calls to all residents
- promote continued independence
- encourage residents to get involved in scheme activities
- involve other organisations that have resources to offer our residents
- signpost residents to specialist agencies.

Alongside the flats, schemes usually provide some shared facilities. For details see the front of this leaflet.
