### About extra care housing

Our extra care housing is designed with older people in mind who find it difficult to live and maintain their own home and have some level of care need.

Springfields allows customers to live as independently as possible within their own home within our supported housing scheme. Available to rent are one and two bedroom flats.

Springfields benefits from on site care team who are on call 24 hours a day, as well as communal facilities , including a midday cooked meal, providing you with peace of mind that help is available at any time.
