

A home for life

Sheltered housing is for mature people aged 60 (or over 55+) who want to live independently in a smaller easier to manage home. We have sheltered housing schemes that inspire to create a community spirit within a secure and safe environment.

All our homes are self-contained and linked to a control centre giving tenants peace of mind that help can be summoned in an emergency at any time of day or night. A scheme manager provides support and advice to tenants to help them live independently.

We operate three sheltered housing schemes in the Salford area: Openshaw Court in Swinton, Hawkshaw Court in Salford and John Atkinson Court in Weaste.

If you are interested in applying for a home at one of our sheltered schemes, please contact our customer access team for further information or to request an application form. Please telephone 0845 850 1966.
