YOUR DESCRIPTION

Rayners, the first purpose built Residential Home for the elderly in South Buckinghamshire was opened in June 1990, designed specifically to provide the elderly with a level of care and comfort that is unsurpassed. In addition to the high level of care provided we are able to offer 'extra care', in the event of a resident becoming more dependant. This degree of care is not usually available in residential homes and gives the resident and their relatives alike confidence and peace of mind. Rayners also has the ability to accommodate respite or short stay residents, subject to suite availability. Rayners who is still family owned and managed is also proud to offer luxurious 'Assisted Living Apartments' at Maple Tree House, situated on the same site as Rayners Residential Home.
