### YOUR DESCRIPTION

Bradbury Grange is a brand new Residential and Dementia Care Home in Whitstable, Kent purpose built in 2010. Bradbury Grange is home to 50 older people and is situated within its own grounds. Each bedroom has ensuite and shower. Also available are hairdressing, a therapy room with reflexology and aromatherapy, an internet library, gardens with courtyard and fountain, 2 spacious lounges and 2 attractive dining rooms. Activities include trips out, visits from a local artist and local singers, quizzes and theme days. The home replaces the original Cliff Dene which provided 64 years of 24-hour care service to the residents in our care.

"I think it will be very good to be in a new building where we don't have to use the lift all the time, we have enough room for us all to sit outside."
