YOUR DESCRIPTION

The management and trained staff at Charnley House are justly proud of the warm, friendly, caring and secure atmosphere that they create for the residents whose home it is. Charnley House is family owned and run and has been providing residential care for the elderly for over 32 years. The home has 2 lounges, a separate dining room, large conservatory and private secure gardens. Accommodation can be provided in single and companion bedrooms. Residents are encouraged to personalise their rooms by bringing in their favourite possessions. The staff encourage independence and dignity while ensuring there is always assistance available when required. Short and permanent stays are welcome and a 6 week trial is recommended. Family and friends may visit at any reasonable time.
