YOUR DESCRIPTION

Durham House offers a homely, caring environment in a well-placed town centre location. The Home is fully compliant with Care Standards Act 2000 National minimum standards. The Home addresses the requirements of progressive old age and is presently the only residential Care Home catering purely for elderly residential care in the town.

All services, management structure, staffing and care hours applied together with environmental standards and facilities meet with and many exceed the NMS requirements. We offer a friendly, family run caring environment including capacity for 10 day care placements.
