YOUR DESCRIPTION

Whiteley Village is a unique concept in seamless care for the elderly, consisting of independent living in cottages, an Extra-care complex, residential care and nursing care all situated on one beautiful site, with many facilities. The Village is located near Walton-on-Thames in Surrey, England, UK. The woodland surrounding the residential area of the Village (all of which is private property belonging to the Trust) offers a variety of secluded and interesting walks with an abundance of wildlife. Villagers start their retirement enjoying independent lives in rented Grade II listed almshouse style cottages, built within an octagon shape and set in the tranquil and peaceful surroundings of 240 acres of surrey woodland.
