YOUR DESCRIPTION

Cedar Lodge is located in the peaceful northern outskirts of Taunton, overlooking a large park known as Taunton Green which was opened by the Duke of Edinburgh in 1952. The home was modernised and extended in 2004 to provide it with the first class facilities expected in all Notaro Care Homes.

The home provides a safe environment in which we provide a progressive programme for people living with dementia. We support the existing capabilities of people with dementia by firmly placing the person before the illness to reaffirm their dignity and self esteem.

We understand the importance of meaningful activities for people living with dementia. Activities are built into all areas of life in the home. Life history and reminiscence work help to stimulate residents, so improving their self-esteem and sense of well-being
