YOUR DESCRIPTION

The Oaks Care Centre provides quality care based on respect for the residents, their right to make choices, maintain dignity and receive the best of care to suit individual needs. The Home offers homely accommodation for 112 adults with organic brain disease (dementia), challenging behaviour and complex physical needs. The Home is situated in New Eltham with easy access to local shops and amenities.

The Oaks Care Centre is an established Care Home in South London, conveniently placed on the A20. It is accessible from the M25 and the M20 and gives easy access to and from central London via the A20. The Home provides care for individuals suffering from organic brain disease (dementia), challenging behaviour and complex physical needs in a contemporary environment, reflective of current trends in dementia care. Individuals and their advocates, family and friends are encouraged to personalise individual rooms. The Home is divided into six separate units over two stories and benefits from an on-site laundry facility, catering and extensive garden areas
